To the People of Lee County and all our neighbors in surrounding counties.

It is with genuine pleasure that the members of the Sanford Lions Club extend to each of you, your family, and your friends an invitation to the Lee County Agricultural Fair for 1969. A most sincere, warm welcome awaits you and we will do everything possible to make your visit an enjoyable occasion.

It has been said, "It is great to serve life. The most important thing in life is not what people can do for you but what you can do for people". The Sanford Lions strive for this goal by sponsoring this fair; and, as many of you already know, the Lions Club is a non-profit organization, and the funds derived from the fair have never gone to benefit any individual member of the club, but have been used in contributions to the blind, the needy and the less fortunate. Glance on opposite page and see listed there some of the projects and activities made possible by your support and participation.

We sincerely hope that you have already made plans to join the over one hundred Lions and Lioness in this community effort. Your support in past years has been the reason for the Lee County Agricultural Fair being rated by the North Carolina Department of Agriculture as the finest County Fair in the State, and you have our heartfelt thanks for your wonderful support through the many years.

Progress is sometimes slow, but improvements to the fairgrounds and program for fair week are made as often as possible. Please examine the higher premium listings and help us make the 1969 Lee County Fair the best ever. This is the place to display, proudly, your products, your arts, crafts and your skills. May we count on you?

Look over our Condensed Program!! We shall look forward to seeing all of you during Fair week.

Sincerely,

Russel L. Mann, President
Sanford Lions Club

When *Time* Is *Money*!

Electric Farm Equipment *PAYS FOR ITSELF*

It's no secret that profitable farm operations today depend on modern electric power. Every day more and more farmers save time and energy with a flip of the switch. Reddy Kilowatt cuts costly manual labor and time consuming hours and invests them in producing! He's a helping hand... milking cows, grinding feed, pumping water—doing dozens of jobs quickly, efficiently and automatically.

See how Reddy can work for you... his wages are low and with his help, you'll lighten chores, improve production and boost profits.
